

Investor Declaration

First Peninsula Marine’s investment opportunity register is for companies seeking investment and angel investors who have the funding, skills and expertise to help businesses develop and grow. First Peninsula acts purely as an introducer bringing parties together and facilitating initial information exchange only, not the investment itself, and will provide access to suitable legal and financial expertise where requested. Our terms state that we act exclusively in this introductory capacity and do not pre-qualify investors, recommend specific opportunities or provide investment advice.

We require an annual declaration for the purposes of The Financial Services Act. The Financial Services and Markets Act (2000) makes it a legal requirement for individuals wishing to receive information to be self-certified as either high net worth individuals and/or sophisticated investors. With this in mind First Peninsula Marine only make introductions where an investor declaration has been made. If you have any concerns about the implications of self-certification then you are advised to take independent professional advice.

To register an interest in investment opportunities investors are firstly required to enroll as Premium Buyer members (please refer to www.firstpeninsulamarine.co.uk/buyer-registration - a one-off registration fee applies) thereby completing the confidentiality undertaking and gaining access to the secure document area. To receive details about companies seeking investment applicants are requested to complete this declaration form and return it to First Peninsula Marine along with a copy of personal identification such as a driving license or passport.
